

St. Viator Parish School Art Club

Application Form 2018-2019

This school year will be our 16th year of Art Club at Saint Viator School. We are so blessed to have such a great after school tradition. With the help of our parent volunteers and wonderful students, we are able to do arts and crafts that would not be possible during our regularly scheduled art classes. Art Club will still have all the clay, painting and seasonal art projects.

The Art Club meets after school once a month on Fridays from 2:45-4:00 p.m. Please note that we will walk the 1st graders over to Art Club after school. Please supply an old t-shirt or apron for a cover up. **ALL** art supplies are provided for your child for the school year and are included in the sign up fee.
