

St. Viator School Art Club Application 2023-2024

Dear Parents,

This school year marks 21 years of Art Club at St. Viator School. When I started teaching Art Club all those years ago, I never thought that it would still be so popular. The projects and styles of teaching Art Club have changed over the years. But I have found the joy of arts and crafts are still going strong in the age of built-in drawing apps. on iPad and the ease of YouTube for all the crafting. I hope your student enjoys what I have found for this year's new adventure in Art Club this fall.

Sincerely,
Bonnie Kulwin

Art Club groups meet after school once a month from 2:45pm-4:00pm. Please note that Mrs. Kulwin will walk the Kindergarteners and 1st graders over to the Art Room after school. All art supplies provided for your child for the school year are included the club registration fee. Classes begin in early September. Upon registration an email will be sent to you with an Art Club Calendar.

Any parents that would like to volunteer to help in Art Club are welcome. Please make sure that you have completed the school background check- See the School Office for more info.
