

St. Viator Parish School Art Club

Application 2021-2022

This school year will be our 19th year of Art Club at Saint Viator School. I can't believe that it's been that long since the first Art Club. I remember thinking when I had a child at SVS that it would be a great idea to have an art club after school. Here we are 19 years later and I'm still teaching art after school.

We are so blessed to still have this after school tradition. With the help of so many wonderful children and parent volunteers this club has changed over the years. We are able to do arts and crafts that would not be possible during our regularly scheduled art classes. Art Club will still have all the clay building, painting, and seasonal art projects.

The Art Club meets after school once a month from 2:45pm-4:00pm. Please note that we will walk the kindergartners and 1st graders over to the Art Room after school. All art supplies are provided for your child for the school year in and are included in the signup fee. Classes will be in-person in the Art Room.
