# Campus Ministry Days

## Definition

As defined by the United States Catholic Conference of Bishops, Campus Ministry "is to develop a culture in which human beings can realize their full potential."

Each month students from St. Viator Parish School meet in the Parish Center Hall, during the school day, for activities to help realize that potential.

## What We Do

- Ice Breakers
- Speakers
- Prayer
- Small Group Activities

## We are "Viatorians"

As a Viatorian Parish, our Campus Ministry days allow our students to learn who we are as Viatorians. We learn about developing our call to serve and how to live out Catholic social teaching following the vision of the founder of the Viatorians, Fr. Louis Querbes.

We do this in a variety of fun activities that challenge our youth to live out Fr. Querbes vision to reach out "to those of little importance" in our world.

On Campus Ministry day, leaders engage with youth before school sharing donuts to remind them that this will be their "special day" to share in the ministry of the Viatorians

## Volunteering

Our Campus Ministry Days would not be possible without our volunteers. If you would like to volunteer for a couple of hours in the afternoon on a particular day (see back) please contact:
