

St Viator Parish School Art Club Application 2024-2025

This school year will be our 21st year of Art Club at Saint Viator School. I am starting to see parents that I taught years ago now with children at our school. What a blessing!

For the new parents to St. Viator. Art Club has become a clay building/painting/drawing /club. We make amazing projects that could not be made in our regular art class time.

We also do extras in every club such as paper crafts. I added a drawing portion onto the last part of the class; time permitting last year. This is an advanced drawing lesson based on the grade level of the group.

The Art Club meets after school once a month from 2:45pm-4:00pm. Please note that we will walk the kindergarteners and 1st graders over to the Art Room after school. ALL art supplies are provided for your child for the school year and are included in the signup fee. Students will be walked to the gate for pick up by parent at the end of club. Students not picked up will be walked to Extended Care. Classes will be in the Fine Art Room. Parent volunteers are always welcome.

- Kindergartener- Pollock A
- Kindergartener- Pollock B
- 1st graders -Geddes Group A
- 1st graders - Geddes Group B
- 2nd grade -Van Gogh 2A Group
- 2nd grade- Van Gogh 2B Group
