

Welcome to St. Viator School's Music Program

I am very excited about this year's vocal program and I know your child will find it fun and rewarding.

We have experienced that access to music education engages students in their regular classrooms, enhances learning in all subject areas, and improves cognitive development as well as critical thinking. It also helps foster self-esteem, leadership skills, and cooperative teamwork.

This year our Music Program theme is Musicals. Each child will select an appropriate song for their individual solo. In addition, a group number will be selected, students will learn to sing and dance as a group. Our end-of-the-year program will be held at the Clark County Library Theatre, Monday June 3rd; this performance will be accompanied have professional sound and lighting technicians.

If you have any questions about this program please contact us at **702 -279-8106**.

This will be a great 2018-2019 school year!

Sincerely,

Mrs. Cheri Scott
